14:30 – 16:00 (Bangkok)

A2: Energy – Distributed Energy Resources (DERs) to support energy transition

Organizers: ALP Grid Renewable Energy Community of Practice, NREL, HNEI

Focus: Distributed Energy Resources (DERs) are resources connected to the distribution system close to the electricity load. DERs include distributed photovoltaic solar, wind, combined heat and power, microgrids, microturbines, storage technologies, and others. DERs have the potential to provide services to customers, distribution grids, and the electric system, but DER growth may present challenges. The session aims to present recommendations for creating a road map for DER in developing countries and examples carried out in the Asian countries.

Moderator: Mark B. Glick, Specialist, Energy Policy and Innovation, Hawaii Natural Energy Institute (HNEI)

Speakers

- **Introduction**
Mark B. Glick, HNEI [10 minutes]
- **Roadmap for DER**
Santiago Enriquez-Soltero, Abt Associates [12 minutes]
- **Case Studies**
 - Dana Kenney, Principal Associate, Clean Power Asia (Abt associates) [10 minutes]
 - Marc M. Matsuura, Senior Smart Grid Program Manager, HNEI [10 minutes]
 - Abhishek Ranjan, VP & Head – Renewable & DSM Initiatives, BSES Rajdhani Power Ltd, New Delhi [10 minutes]
 - Dr. Adarsh Nagarajan, Group Manager, Power System Design and Planning, NREL [10 minutes]

Q & A [20 minutes]

Closing Moderator: Soumya Chaturvedula, ICLEI South Asia [8 minutes]

Week 1: Day 4 (Thursday 26 August 2021)

09:30 – 11:00 (New Delhi); 11:00 – 12:30 (Bangkok); 13:00 – 14:30 (Seoul, Tokyo)

11:00 – 12:30 (Bangkok)

A3: Sub-national Integration – National governments' initiatives to support subnational climate actions

Organizer: ICLEI World Secretariat and Asia LEDS Partnership

Focus: The session will aim to share initiatives and efforts of national governments around Asia Pacific region to accelerate local and subnational climate actions focusing at achieving NDC and Paris Agreement

Welcome, introduction of moderator and speakers: ALP [5 minutes]

Moderator: Maryke Van Staden, Director of ICLEI's Bonn Center for Local Climate Action and Reporting (Carbon Climate Center), ICLEI World Secretariat

Overview presentation: Maryke Van Staden [10 minutes]

Speakers

- **South Korea: planning and implementation of 2050 carbon neutral strategy**
Seon-Hee KIM, Assistant Manager, GHG Reduction Division, Korea Environment Corporation (KECO) [10 minutes]
- **Nepal: Climate change initiatives**
Dr. Pem Narayan Kandel, Secretary, Ministry of Forests and Environment (MoFE), Nepal [10 minutes]
- **Vietnam: Green growth strategy**
Dr. Nguyen Thi Dieu Trinh, Deputy Director General, Department of Science, Education Natural Resources, Ministry of Planning and Investment, Vietnam [10 minutes]
- **Bangladesh: Urban resilience project**
Engr. Abdul Latif Helaly, Project Director, Urban Resilience Project: Rajdhani Unnayan Kartripakkha (RAJUK), (The Capital Development Authority of Bangladesh) [10 minutes]

Q & A [30 minutes]

Closing: ALP [5 minutes]
