Just Transition and Transition Risk

What makes a transition 'just'?

Write down your definition.

Why does just transition matter?

Write down your answer.

How does just transition impact project development?

Write down your answer.

Exercise

Welcome Project Developers!

Congratulations!!!! We are so excited to see your projects come together.

Please put together:

1. Fictional name of your country
2. A short description of your project (size, beneficiaries, project structure, cost, key stakeholders, etc.)
3. Expected impact or outcome of the project
4. How your project is designed to support just transitions
5. Plan for profitability
